

COVID-19 Testing Guidelines

For Established LCH&D Medical Patients:

- LCH&D is doing drive-up testing for COVID-19 in Lorain and Elyria. A Telehealth visit is required first, and the medical provider will determine if a test and the necessary test to be completed. COVID-19 testing will occur, by appointment only, at either 1205 Broadway parking lot in Lorain (Monday-Thursday) or 131 Court Street, in the Elyria City Hall Parking Lot (Wednesday+Friday). To schedule, call (440) 240-1655.

For non-LCH&D Medical Patients:

- People who are not established LCH&D medical patients will need a Telehealth visit with LCH&D to obtain an order for the COVID-19 test. Call (440) 240-1655 to setup a Telehealth visit and the LCH&D medical provider will determine the necessary test to be completed. If a COVID test is ordered, it will be completed at either 1205 Broadway in Lorain or 131 Court Street, in the Elyria City Hall Parking Lot.
- The COVID-19 test is provided at no cost. For those who have insurance, LCH&D will bill the insurance co-pay for the Telehealth visit.
